## Conclusion

We discussed Kyla's previous work experience, highlighting skills, relevant roles, and areas for growth. She is currently enrolled in AVC in a photography class and also in her last year of obtaining her Bachelor's degree in Business Administration (entertainment). Kyla's employment goal is to become a professional producer and before transitioning she is looking to become a project coordinator or a photographer, working in media, film, or with a non-profit agency looking for entry level positions in these areas. Kyla's previously work experience is in the customer service and caregiving fields in which she does not want to go back to work in those areas. She is willing to commute to where the work is if necessary. Kyla has an updated resume and she quit applying for jobs, but when she was applying she submitted at least 5 applications a day and did not interview for any media jobs. She states it's been a little discouraging. Kyla is looking to work full-time or part-time hopefully with an agency that pays benefits and wages no less than \$20.00 an hour, she is excited to go to work somewhere and she has shown strong engagement during the intake process. Kyla understands the next steps involved in her employment prep training, job
